WORK EXPERIENCE

01/10/2007–Present

Senior Researcher

Slovak Academy of Sciences
 Sancova 56, 811 05 Bratislava (Slovakia)
<http://ekonom.sav.sk/en>

I contribute to two institutes of the Slovak Academy of Sciences: Institute of Economic Research and Centre of social and psychological sciences.

My research activities are in the fields of labour market and education, particularly impact evaluation of policy interventions and labour market modelling (with focus on skill needs modelling and analysis).

Business or sector Professional, scientific and technical activities

10/2011–Present

Freelance data analyst and country expert

Providing data processing services, applying specialized statistical techniques (such as Counterfactual Impact Evaluation techniques, Data Mining, or Forecasting techniques).

Advising in methodological issues (survey design, indicator creation, statistical classifications).

Preparing ad-hoc studies in areas of educational and labour policies (ALMP, VET, ageing, labour supply trends).

Delivering training on data processing techniques and policy analysis.

01/01/2009–28/02/2010

Head Advisor

Statistical Office of the Slovak Republic
 Mileticova 3, 824 67 Bratislava (Slovakia)
<http://www.statistics.sk/>

Methodological advisory in the field of statistical surveying. Cooperation in creating new statistical indicators.

Business or sector Public administration and defence; compulsory social security

01/09/2013–28/02/2017

College / university teaching professional

Comenius University in Bratislava, Faculty of Education/Faculty of Social and Economic Sciences, Bratislava (Slovakia)

Courses on research methodology, applied statistics and microeconomics.

PERSONAL SKILLS

Mother tongue(s)

Slovak

Foreign language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C2	C1	C1	C2
IELTS-Academic					
German	B2	B2	B1	B1	B1
Czech	C2	C2	C2	C2	C2
Polish	A2	A2	A2	A2	A1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
 Common European Framework of Reference for Languages

Communication skills

Good communication skills and adaptability to new environments, gained also through my work experience in international environment. I am able to learn very quickly. Elaborated presentation skills gained and maintained regularly in providing presentations, lectures and training.

Organisational / managerial skills

I am used to work in a team, but I am able to organise myself independently as well. I have experience in coordinating works in a research project. I have also proved to be capable of leading a small research team.

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem-solving
Proficient user	Proficient user	Proficient user	Independent user	Proficient user

Digital skills - Self-assessment grid

Excellent command of Microsoft Office tools (Word, Excel, PowerPoint, and Access)

Statistical software: Advanced command of SPSS and STATA, occasional user of R statistical language.

Basics in SQL.

Operational knowledge of HTML and basic web creating technologies. Experience in creating web questionnaires.

Excellent level of internet usage.

I am also experimenting with programming languages such as Python, C++ or VBA mostly to perform advanced data processing. I have operational command of SQL.
